REPORT OF FOREST FIRE WARDEN

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us: (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of wood lot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn, you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important — instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

GOSHEN FIRE DEPARTMENT

1966

Your fire department has grown quite a lot this year thanks to the kindness of some of the townspeople: Mr. and Mrs. Roy Balla have donated a piece of land across from the Hunter place on Brook Road on which to build a fire house, which we hope to start building some time this coming summer and Mr. Austin Corbett gave the department a 1957 Chevrolet long wheelbase truck with 1000 gallon tank to be used in hauling water to fires. The men have had to do quite a lot of work on it but it is now ready to use, however, we cannot use it in the winter as we have no warm place in which to keep it. Before another winter we hope to have a building that will hold both trucks. The men are trying to work things out so that there will be very little cost to the town and so far they have done a wonderful job.

We also have two new air paks so the men can go into a building too full of smoke to be entered without them.

As you can see from the secretary's report our fire loss this year has been very small, thanks to the townspeople and the men in the department.

My most grateful thanks to the men in the department, and I join them in thanking the townspeople for their care with fire this past year, and to Mr. and Mrs. Balla and Mr. Corbett for their most generous gifts.

REPORT OF THE SECRETARY
OLIVE G. PETTIS LIBRARY, 1966

The trustees have attended the board meetings and the library was represented at the annual meeting of the state trustees association and at district meetings of the affiliated libraries of New Hampshire.

The annual book and food sale was held in July, this year sponsored by the Friends of the Library assisted by the trustees, and was most successful. We wish to thank the many people who so generously gave books and food.

A very handsome screen for the fireplace has been donated by Mrs. Winthrop Richmond.

The oil burner is now being installed and we are most grateful to Mr. Ralph Wright who is donating his time and labor on this project.

To all others who have donated time and materials we give most sincere thanks.

We suffered a great loss due to the death of one of our most faithful trustees, Mrs. Erica Wex.

Mrs. May Bagnasco was appointed by the selectmen to fill the vacancy.

REPORT OF THE CEMETERY COMMISSION

The Goshen Cemetery Commission was appointed by the Selectmen following last year's Town Meeting. Appropriated funds have been administered in the care of the cemeteries, with careful regard for present costs and future improvement.

Plans for the coming season include: further study of acquisition of new land, cooperation with the Trustees of Trust Funds on a project at North Goshen, fence repair and painting, further data on the plot plans, and study of a set of regulations regarding use of cemetery lots.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT

The number of students totals 120, broken down as follows:

Grade 1	13
Grade 2	21
Grade 3	12
Grade 4	15
Grade 5	16
Grade 6	14
Grade 7	14
Grade 8	15

This represents an overall decrease of 15 students. The reduction is caused by the operation of the High View Church Farm School in East Lempster.

Forty-seven students are attending area high schools: 2 at Sunapee, 4 at Claremont, and 41 at Newport.

NEW ADDITION

The additional appropriation of $3,000 voted at the 1966 Annual Meeting made it possible to complete the new facilities, purchase some new classroom furniture and folding chairs, install an electric water cooler, and obtain tackboards for all five classrooms.

It was possible to use Title I funds to convert the old kitchen area to a Health Room and to construct bookcases in the former Activity Room to establish a Library facility.

The effectiveness of the overall school program has been greatly improved by the new construction and the renovations.

PERSONNEL

Arthur Randall was appointed to serve in place of Horace Cragin who was elected as a School Board member but resigned the position.

John Hopkins replaced Francese Newton as School Clerk.

Mrs. Agnes MacKenzie of Croydon is handling the School Lunch Program and Warren Heiser is serving as janitor. Mrs. Alice Bruno is at the school on Friday afternoons for music activities.

TEACHING STAFF

We were fortunate to fill two teacher vacancies with capable replacements. Miss Jan Bradeen, a graduate of Whitworth College, Spokane, Washington, with previous teaching experience, replaced Mrs. Martha Motes at the Grade 2 and 3 level.

Miss Nancy Hamilton, a graduate of the University of New Hampshire, succeeded David Callum in the Social Studies-Science areas in Grades 6, 7, 8.

We are pleased with the performance of the teaching staff and hope the citizens will join with us in urging them to remain.

TITLE I READING PROJECT

A Reading Improvement Program is in operation. This is financed with federal Title I fund and is being conducted on a 3-day per week basis by Mrs. Elizabeth Barrett, an elementary teacher with considerable experience.

The opportunity for small groups of students to participate in this specialized instruction is bound to improve their overall achievement.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools

GOSHEN-LEMPSTER SCHOOL PRINCIPAL'S REPORT

The new addition was still in the process of being finished when we moved the eighth grade into the new classroom on April 15, 1966.

Graduation ceremonies for the eighth grade were held in the new activities room. Mr. A. J. Soucy was the featured speaker. Mrs. Nethersole, Chairman of the School Board, presented the diplomas. Mrs. Bruno directed the musical selections, and refreshments were served by the Parent's Club.

Last June examinations and registration of potential first grade pupils were held under the direction of Mr. A. J. Soucy assisted by Mrs. Myrtie Starkey and Mrs. Irene Cain. This also included preliminary registration for those eligible to enroll in the Sullivan County Head Start Summer Program.

By special arrangements with Mr. Soucy, Coordinator for the 1966 Newport Summer School Program in Reading and Mathematics, a number of our students were able to take advantage of these offerings to improve reading and mathematics skills. Mrs. Myrtie Starkey was one of the reading instructors in this summer program.

Fall found us with two new teachers. Miss Jan Bradeen was hired for the 2nd and 3rd grades in place of Mrs. Martha Motes who resigned to take a teaching position nearer her home in Bellows Falls. Mr. David Callum resigned to take a position with the Conservation Department in Vermont, and was replaced by Miss Nancy Hamilton. She is the social studies and science teacher in the departmentalized 6th, 7th, and 8th grades. Mrs. Irene Cain teaches English and mathematics in those grades. We are fortunate in being able to retain the services of Mrs. Hester Morrissey in the 4th and 5th grades and of Mrs. Myrtie Starkey in the vital 1st grade assignment.

Again this year, Superintendent Gordon B. Flint was able to secure Federal money to enable us to hire a part-time reading teacher. Mrs. Elizabeth Barrett with her sympathetic understanding and experience is doing a fine job.

Our Hot Lunch Program is being administered by Mrs. Agnes MacKenzie, assisted by Mrs. Ruth Faulkner. The State Department has written us a very favorable evaluation of her work.

Mrs. Bruno directs the musical activities on Friday afternoons. She directed a Christmas Pantomime featuring songs by soloists and the school chorus. This Christmas program was enjoyed by a capacity audience of parents and friends in our activities room.

Our School Nurse, Mrs. Buck, has been giving eye examinations to our pupils. She arranged for a dental health talk and demonstration by Miss Theodore for the pupils in the whole school.

The Parent's Club sponsored a Dental Health Clinic again this year with Mrs. Newton and Mrs. Wright as Chairmen, and Mrs. Myrtie Starkey as teacher-coordinator. Dr. Houlihan of Claremont is the dentist who cooperates in this effort. Forty-two pupil appointments were made for nine visits to his office. Interested parents furnished transportation.

Late in the summer a Dental Clinic for pre-school children was sponsored by the Parent's Club with the arrangements made by Mrs. Buck, Mrs. Wright, and Mrs. Starkey.

In October we were honored by the visit of three educators from Thailand and their interpreter. They spent part of a morning observing our school facilities and classes, ate at our cafeteria, then at a school-wide assembly, told our children interesting facts about their country, sang their national anthem to us, and answered pupils' questions.

In December, Dr. Harold Pierson of Meredith gave two illustrated talks to the pupils of Grades 4 through 8. His first talk was about the people of Mexico, the second about the Indians of Guatemala. These two school assemblies were arranged by Miss Nancy Hamilton, our social studies teacher.

Mr. and Mrs. Wilber Campbell are again doing an excellent job of safely getting the children to school and back home on time. Mr. Warren Heiser is in charge of keeping our school comfortable and clean.

All of us teachers wish to express our appreciation for the efforts and interest of the members of the School Board, the Parent's Club, Mr. Gordon B. Flint, Mr. A. J. Soucy, Mrs. Buck, and the others who have worked so whole-heartedly for our school.

Respectfully submitted,

IRENE W. CAIN

Principal

REPORT OF SCHOOL NURSE

To the Goshen-Lempster Cooperative School Board and the Citizens of Goshen and Lempster, I herewith submit my annual report as School Nurse.

During the school year 1965-66 one hundred and thirty-six vision tests were done. Six children were found to be in need of further eye examination and were checked by family eye specialists. Corrections were made as necessary.

One hundred and thirty-five hearing tests were done. A full scale audiogram was done on seven children. Three were reported to family physicians and no serious loss was found.

One hundred and thirty-five children were weighed, measured, and checked for noticeable health problems by the School Nurse.

Dr. Houlihan of Claremont came to the school and made dental examinations on one hundred and thirty-four children. Twenty-three children attended the Dental Clinics at Dr. Houlihan's office and received treatment. Dr. Houlihan has done a beautiful job with the Dental Clinics for the past several years. We are very grateful to him and to the Goshen-Lempster Parents Club who sponsor this program.

Two children attended the Child Guidance Clinic.

Tuberculin testing was done on children in grades one and four and seven as well as school personnel desiring the test. Three persons reacted to the test and chest X-rays were done. Results were negative.

A series of three Immunization Clinics were held during the year. They were fairly well attended. Immunizations against diphtheria, whooping cough, tetanus, small pox, and poliomyelitis were available. Members of the Parents Club assisted with the record work and the transportation.

The Hot Lunch Program was well patronized by students and school personnel. It is an excellent program.

There were many cases of measles during the early spring of 1966 and also many cases of upper respiratory illness.

On the whole it was a good school year healthwise.

I would like to take this opportunity to thank the communities of Goshen and Lempster for the wholehearted support they have always given the School Health Program, the School Board for their interest and support, and the school personnel with whom it has been a pleasure to work.

Respectfully submitted,

FLORENCE MacIVER

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

NOTICE: POLLS OPEN FROM 12:00 NOON TO 5:00 P.M.

To the Inhabitants of the Goshen-Lempster School District qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the eighteenth day of March 1967 at 12:00 noon to act upon Articles 1, 2, 3, and 4; the meeting to be recessed and opened again at 2 o'clock in the afternoon to act upon the remaining Articles in the Warrant (Articles 5 through 9):

1. To choose a Moderator for the ensuing year.

2. To choose one Member of the School Board for the ensuing five years.

3. To choose one Member of the School Board for the ensuing four years.

4. To choose an Auditor for the ensuing year.

5. To hear the reports of Auditors, Agents, Committees, or Officers chosen, and pass any vote relating thereto.

6. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of the statutory obligations of the District.

7. To see if the District will authorize the School Board to appropriate receipts from Federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for 1967-68, for the school lunch program, general expense, equipment and improvement and to further raise and appropriate the sum of $300. toward the expenses of the school lunch program.

8. To see if the District will vote to authorize the School Board to execute a quitclaim deed to Richard O. Onnela for any interest it may have in the Lempster schoolhouse lot, so-called, being a small triangular piece of land on the road leading from Lempster to Washington adjoining land already owned by Richard O. Onnela, provided Richard O. Onnela pay any legal costs in connection with the transfer.

9. To transact any other business that may legally come before this meeting.

Given under our hands at said Lempster this twentieth day of February 1967.
